The screenshot shows a software window titled "Create an Average Priced Contract to Sell (Step 1 of 5)". The window has a "Close" button in the top right corner. The main content area is divided into two sections. The top section contains a dropdown menu (labeled 301) and a text input field for "Offer Quantity (bu):" (labeled 302) with the value "1.00000". To the right of these fields is a text instruction: "Choose the commodity to offer for sale, and enter the quantity in bushels and net price per bushel you wish to receive." The bottom section contains two date input fields: "Delivery Start:" (labeled 303) with the value "9/24/03" and "mm/dd/yy", and "Delivery End:" (labeled 304) with the value "10/24/03" and "mm/dd/yy". To the right of these fields is another text instruction: "Choose the dates that the commodity will be available for shipment." At the bottom right of the window are three buttons: "< Back", "Next >", and "Cancel".
